

Join us for the walk on May 19th
10 am @ Lake Fairfax Park

Leeban is a 24 yr old who sustained a brain injury in January 2013, he has been in a coma since. We are raising money for his medical transport from Minnesota to Virginia, so he can be closer to his family and community.

Register for the walk at: <http://walk4lee.splashthat.com>

Please donate to this important cause at:
